Storm Water Grant Hearing

On or about February 10, 2017, The Town of Hebron intends to apply to the Indiana Office of Community and Rural Affairs for a grant from the State Community Development Block Grant (CDBG) Storm Water Improvement Program. This program is funded by Title I of the Federal Housing and Community Development Act of 1974, as amended. These funds are to be used for a community development project that will include the following activities: Construction, in Park Place subdivision, of 1,400 feet of new linear conveyance, 400 feet of new storm sewer outfall, enhancements to increase storage volume in existing detention basin. Construction of 700 feet of 12inch storm sewer for Oak Court flood relief. Removal at abandoned railroad at Cobb Creek of non-functioning existing culvert.

The total amount of CDBG funds to be requested is \$500,000.00. The amount of CDBG funds proposed to be used for activities that will benefit low-and moderate income persons is \$255,000.00. The Applicant also proposes to expend an estimated \$942,000.00 in non-CDBG funds on the project. These non-CDBG funds will be derived from a Storm Water Revenue Bond issue.

Hebron High School Student Heroes—Annabell Folsom and Mia Riece

Talk about perfect timing - Annabell Folsom, a senior at HHS, had just learned how to perform the Heimlich Maneuver a week before in her Health Occupations Vocational Program at the Porter County Career and Technical Center when she had to put it to use.

The students were on a bus trip to Notre Dame to see a hockey game as a reward for good grades and behavior when another student suddenly stood up with her hands around her throat. Annabell, using her newly acquired skills, asked her if she was choking. When she indicated she was, Annabell successfully performed the Heimlich Maneuver on her and saved her life.

The rescue earned her a Kiwanis Lifesaving Award from the Valparaiso Chapter recently and we wanted to salute her for her service to another in saving a life!

Mia Riece, Hebron High Senior, won the James W. Dold Mental Attitude Award for Girls' Basketball. This is a most prestigious award given to 1 girl each year from the entire Porter County Conference to celebrate the best sportsmanship, athletic ability, grade point average, and attitude throughout high school toward athletics, education, teammates, coaches and opponents. We are proud of Mia and everything she has accomplished here in Hebron and wish her the best in her future endeavors.

We are so very proud of the amazing things our young people from Hebron have been doing this past year!
